WHO ARE WE?

DEAR PARTNERS,

We are a 100% Belgian company, specialized in development of mould, more specifically injection of polypropylene items. We offer a wide range of various outdoor toys and are N° 1 in production of sandpits. As producer we are present in +/- 60 countries worldwide. Paradiso Toys, founded in 1989 is situated in Flanders, the heart of Belgium. 90% of the products are manufactured in our 3 production units in Belgium, with a strong focus on quality. Our R&D team continuously invests in the development of new products and moulds.

All products are tested and approved safe, according the last European safety requirements. Quality levels are constantly controlled from the beginning until the end of the production process. Our customers and partners all over the world can rely on our long-term experience and knowledge of plastic injection. We are committed to providing our customers the best products, quality and service. From our multiple warehouses, spread in Belgium, a fluent and efficient service can be guaranteed with very short lead times as a result.

Quality is no accident it is the result of an intelligent effort. We master our business.
